Office of Comptroller

19 June 1959

Director of Security

Status of Office of Security Funds, Fiscal Year 1959

In accordance with previous estimates submitted by this office, an allocation increase, Advice No. D 9-4, in the amount of \$150,000 was issued on 15 June 1959.

A current evaluation of the effect of tighter internal control, particularly in guard coverage, acquisition of supplies and equipment, and overtime, indicates a substantial decrease in additional requirements as reflected on the attached requests for amended allotments.

It is understood that the estimated decrease of \$33,000 in property withdrawal authorization cannot be transferred to funds per instructions from the Budget Division. Accordingly, it is estimated that \$120,000 of the \$150,000 allocation increase should be sufficient to cover our needs to the end of the fiscal year.

Therefore, a \$30,000 reduction in our present allocation of [REDACTED] appears in order with the understanding that additional funds will be provided if unanticipated emergency requirements arise.
